 - D) The principles of quantum physics.
16. When reciting a verse, which voice technique involves varying the speed of delivery?
- A) Volume
 - B) Pace
 - C) Tone
 - D) Pitch
17. Pasting a ball in handball, involving delivering a ball to a teammate during play, is known as:
- A) Dribbling
 - B) Passing
 - C) Shooting
 - D) Blocking
18. A boy participating in a 100-meter athletic event, as shown, primarily uses which technique?
- 
- A) Jogging
 - B) Sprinting
 - C) Walking
 - D) Stretching
19. When swimming, which of the following is an important safety measure?
- A) Swimming alone
 - B) Using proper swimming techniques
 - C) Diving in shallow water
 - D) Running around the pool
20. The diagram showing a learner performing a skill in basketball likely demonstrates:
- A) Dribbling technique
 - B) Shooting technique
 - C) Blocking technique
 - D) Passing technique
21. A Grade 7 teacher asking learners to practice a homework technique to check their work is promoting:
- A) Competition
 - B) Self-assessment
 - C) Teamwork
 - D) Physical activity

22. List three items used in drawing. (3mks)

- a) _____ b) _____
c) _____

Define dominance as applied in drawing. (2mks)

23. What are complementary colours? (1mk)

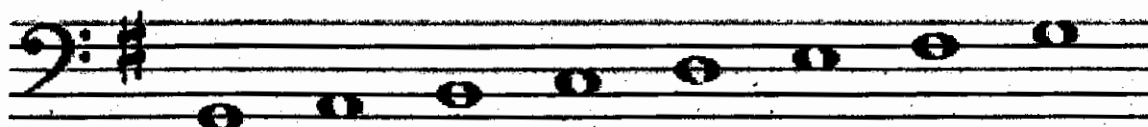

24. Describe how the wash technique in painting is done. (4mks)

25. Define indigenous string instruments. (1mk)

26. Indicate the French rhythm names of the following note symbols. (4mks)

- a)  _____
b)  _____
c)  _____
d)  _____

27. The following is a G-major on the bass staff. Indicate the names of the pitch notes correctly. (4mks)

(4mks)

28. List two races in the middle distance running. (2mks)

- i) _____
ii) _____

29. Describe the start applied in middle distance running. (3mks)
